VETERANS' BENEFITS

There are a variety of programs and benefits available to our veterans, ranging from property tax exemptions to special license plates. The nearest Connecticut Department of Veterans' Affairs (CTDVA) Office of Advocacy and Assistance is located in Rocky Hill. In addition, the agency staffs several satellite offices in other cities and towns on a monthly or bi-monthly basis. Check your local newspaper for information about the location, date and time the nearest satellite office will be open in your area.
